# Elizabeth

Stay-at-home mum Elizabeth (33) doesn't venture into the world of work for a reason – she's far too busy shagging the tiler who came round to do her kitchen. So while she puts in overtime as the street's resident bike, her tradesman's cock is serving as an intern in her luxuriant bush. He certainly deserves a rise!

"My most exciting shag ever was at Crewe station. The train was delayed and there was just me and these young lads in the waiting room. I remember thinking I could do with a shag. I don't know how it happens but they must have read my thoughts. I just hitched up my skirt and let them burrow away inside me. I caught the train with a second to spare and two loads of hot spunk in my pussy!"

## 1 Big Fat Cock Sheath Extender

Let's face it, size matters. Why else do you think women hang around the salad aisle in supermarkets? It's not about the latest diet fad, it's because they're eyeing up the cucumbers and yams. If your current squeeze is a little lacking in that department, then this is a must for your bedside drawer – courtesy of those uberperverts from Uberkinky. This cock extender will satisfy both of you in equal measures. He'll feel like he's King Kong, and I guarantee you'll be scream queen Fay Wray. It's made from flexible PVC so you just slide it over your schlong, letting it 'hug' your cock and bang away until you shoot your load through the hole at the end and into your orgasming partner's orifice. It will add approx 2.5 inches to your own size and keep your cock rigid and ready for some serious action. Not for the light hearted.

## TOWN BIKE

**W**hen I moved in with my boyfriend, Billy, my mates knew exactly how to wind me up, saying I couldn't stick the pace any more, that our town would be in mourning for its "bike". I shouldn't have let it piss me off – Billy can go for hours with the meatiest, hardest cock I've ever sucked in my life. But I've always cared a bit too much about what other people think!

Lucky for me he's not the jealous type, so he loved the plan I had to keep the dirty name I'd made for myself. I told him to ask some horny blokes round, ones with a gob on them who wouldn't be able to zip it if they got some fanny.

When he got home from the pub that Saturday night, he had one of his gang from the football in tow, Garry, and Garry's friend Joe. They found me sat on the couch, with my tits hanging out of my silky nightie and my hand up it while I watched a porn flick.

Soon, I wasn't the only one wanking – the three of them crowded round me, targeting me with their pricks. The harder I frigged myself, the more furiously they pumped themselves.

Once Garry was hard, he went straight for my boobs, playing with them as I licked my palms then wanked him both hands. I was whimpering, biting my lips as he pinched my nipples hard.

Now he slid up my body, bollocks dragging against the front of me until his knob was dangling over my mouth. It was already dribbling on my face, but he teased me, asking did I want a suck but keeping it out of reach of my lips. He said I'd have to submit to a fucking before I got a mouthful. Hello? I thought. Why the hell else did he think he was here?

He soon found out the cons of being all talk and no action – Joe just quietly got in between my thighs and poked his cock hard into my cunt. Garry only realised this when he heard me moan in pleasure, as his mate slammed in and up so hard

SABRINA,  
Devon

it half-winded me! Then, immediately, he began screwing in and out, hands on my knees to spread me as wide as he could, so he could bang and stir his seven thick inches in my hole.

Garry reckoned he'd better get busy before Billy steamed in. His salty length was in my mouth within seconds, fucking it as I sucked deep. I got carried away but came back to reality when I heard the doorbell ring – had Billy asked more

blokes over? He went to answer it, stuffing his dick back in his jeans, then walked through with a woman.

I recognised her as a barmaid from one of the pubs we went to, but only found out her name was Jacqui right then. I'd often seen her batting her eyes and waggling her knockers at male customers, and just assumed it was "tits for tips". It turned out she was just as big a slapper as me.

She was all over Billy but I could hardly

complain, as I was splayed out being spit-roasted by his best mates! He stripped her naked and bent her over in the middle of her room, and we all shifted position so I got the best view of her grabbing her ankles and bracing herself. As Billy fingered her, he kept on about how tight it felt, how he couldn't wait to feel it round his cock.

I got a pang of jealousy but sucked it up – instead I just focused on giving my two blokes an even better shagging! The fuck-show had them giving it to me harder too, Joe humping in as I kicked my heels against his arse. Using my hand to keep Garry's prick going, I told Billy he could have his fun, but he'd better be hard and ready for me when I needed him.

Garry said, "You can stop sucking when I cum," and fed me another helping of meat. I deep-throated him, and by the time I needed to breathe again, he was already spoofing in my mouth.

my mouth and my jabbing tongue, but the juices were soaking the lower half of my face, from nose to chin.

I'd seen for myself that she liked cock, but she was obviously partial to a bit of prime pussy, too, going by how she went down on me. The boys had all got off and now it was our turn – of course, if it got them stiff for the next go, we weren't gonna whinge!

Jacqui was merciless, fingers just fucking hard in and out of me, as her tongue and lips lashed my clit to orgasm. And I just gave her the suckinest, lickinest head I could, until I felt her pussy shudder and flood my mouth with juices.

We didn't have to make a show of cumming, what we did was just a natural reaction. And we carried on sixty-nining – now we'd got off we could just have fun exploring each other. She had such a pretty pussy – tight little pink folds, waxed

# TATTOO MUCH!

I've always loved tattoos and so my 21st birthday present to myself was a little flower on my shoulder. I spent ages finding the right artist to do it, finally settling on a lad who I'll call Lance.

I loved the job he did and he was chuffed, too. So much so that he called the tattoo studio's owner – I'll call him Dennis – in for a look. I couldn't stop hugging Lance – fairly normal for happy female customers, apparently! – but then it turned into a snog.

When we broke apart, I saw Dennis, laughing to himself and filming us with a small camcorder.

I snogged Lance again and flashed a tit at the camera, then Lance pulled my top back down and started sucking on my nipple. Not long after that we were naked, Lance lying on a big padded bench and me sixty-nining him.

He had a few incredible tattoos of his own, including a really sexy one sweeping down from his hips to his crotch. It really drew my eyes to his cock – uninked – and my mouth followed, gobbling on his helmet, before I winked at the camera and took him deep throat.

Dennis wanted to see some fuck-action, so I slid down to straddle Lance, facing his feet. He zoomed in on Lance fingering my arsehole, then got a sharp, revealing shot of his cock going in my pussy.

He kept on changing position, zooming out from close ups for wide shots of me riding him, then in again to my jiggling boobs. Dennis kept commentating, saying how wet my fanny looked as I ground it hard against Lance's crotch.

I started thinking Dennis had something about him. OK, so he must have been in his forties, but his look – sort of '50s rocker – really suited him.

Lance groaned he was cumming and Dennis zoomed in again, telling me to raise myself up slowly. That's how he captured the spunk dripping out of my snatch, while Lance pumped more inside it. Then he got a close-up of my open fanny and Lance's crotch, a big, soaking mess of both our cum.

The only time I saw Dennis come close to losing his cool was when I told him he was next. Lance, although still a bit shaky, took the camcorder.

Dennis told me to get on my knees, and I got a twinge in my snatch – I like a bloke

## "I fingered my creamed-up hole as he saw to her"

I'd barely slurped it down before Joe's balls emptied into my snatch. Then I just lay back, fingering my creamed-up hole as my other half gave Jacqui a stand-up doggie seeing-to, cumming deep inside her.

Fair play, the bloke knew me so well, especially how far he could push me. He whispered to her – still loud enough for me to hear – that I'd be pissed off if I didn't get a share of his cum. That I'd kick his arse out of the flat and he'd have to bunk up over at hers.

I wasn't in any fit state to think up a smart comeback to that, but nobody would have heard it anyway. Jacqui came strutting over, like I was one of her slobbering pub punters, and gave me a snog. Then she lowered her cunt down onto my mouth, humping against me as my boyfriend's spunk gathered together and ran out of it in a torrent.

He'd fucked her good – her cunt was seriously sloppy. She was trying to ride

totally smooth. I had so much fun playing with them, I found most of her sensitive spots purely by accident!

The blokes were soon up for more fun, but we just kept on going, letting them wank themselves over us. Billy was actually first to cum but that seemed to set the other two off, all three of them over our tits – they were coated by the end!

The boys didn't stick around too late the next morning – well, I was fucked if I was going to cook them breakfast. I hoped they'd sleep it off and tell everyone I was still a right dirty bitch! Of course, I had a rival in Jacqui, or was it more like a partner in crime?

Billy asked what I'd thought of her, had he put me on the spot by bringing a woman into the set-up? I said I was glad he had and I'd be seeing her again. Not just for pussy games, but so we could go out looking for dick together. Like I said, good thing he's not the jealous type!

## CABIN AND THE WOODS

About a month back, my mates and I went to an outdoor pursuits place in Wales – hiking, rock-climbing, kayaking and all that. All a good laugh, plus as a bonus, a few of us copped off with a bunch of girls who were staying there.

Mine was called Jane and, when we went back to her cabin, we realised that the girl she was sharing it with was already screwing someone in there. So Jane insisted on going back to mine. As I was thinking with my cock I said yes, deciding we'd deal with the problem of my cabin-mate, Richard, when we had to.

Turned out he was already there, dead to the world, knackered from all the day's exercise and too many beers.

We started out quiet, but Jane seemed to be getting off on the situation. Even when we were just snogging and dry-rubbing, she couldn't stop moaning. Slowly, we stripped off each other's kit, my hands exploring her tits, belly and finally her cunt. As she turned her attention to wanking my cock, I had to suck on her nipple to shut myself up too!

When she was happy with how hard she'd got me, she climbed on top of me, slipping my cock into her wet twat. Slowly, she started to ride me, bouncing but twisting too, so I was plunging in really deep from all angles.

She was nuzzling my neck then snogged me again, tongue exploring all inside my mouth. We'd got so carried away we half-forgot, half-stopped caring about Richard being there – until we heard a groan and rustle of sheets.

We stopped dead for a second. He had his back to us but we could tell he wasn't asleep. And it soon became obvious he'd been having a sneaky toss!

We just stayed still – I didn't have a fucking clue what to do, all though Jane's fanny clenching round my shaft was keeping me on the boil. Then she spoke to him, telling him to stop fucking around. That a real man would let her watch him wank.

That put him on the spot, so she switched on our bedside lamp. The cabins were tiny with the twin beds close together so she didn't have to stretch far to grab the sheet off his and pull it off him.

who takes control! Lance told him to get on with it, before he lost his hard-on. Dennis gave him the finger, and pushed his prick – hard enough, thanks! – up my dripping, desperate cunt.

Lance was back in on the action quicker than I thought – a couple of minutes of watching Dennis rear-end me got him hard again, and he had me sucking him, while he filmed downwards from his viewpoint. Then I heard Dennis say "Oi..." just in time for Lance to point the camera at him splashing his spunk all over my back.

Then it was back to Lance for his second cum shot – I opened wide so he could film himself spurting all over my tongue before I swallowed, opening my mouth again to show him that every single drop was gone.

We had to stop there as they had another customer due, but they burned me a copy of what they'd filmed. They said next time I want a tattoo it's on the house – I'm thinking a pink heart on my mound, just above my slit...

# SAPPHIC MODE

He grunted, then rolled over.

Jane asked why the fuck he'd wanted to keep a big dick like his hidden – not just flattery, either – she started grinding on me again when she saw it.

Richard wanked himself slow and easy, then said, "I guess a blowjob's out of the question?" He told me later it was just a

still gave him a nice slow blow! It was so horny, looking from her bobbing head to her wet fanny impaled on my prick. One glance either way would jolt my bollocks like an electric shock.

When Richard said he was cumming I wondered how much more she could be doing with her mouth than I was getting

Yeovil

like he loved to use.

He did this time, though. Jane pulled herself off my knob, leaving it flat on my stomach in a sticky lake of cunt cream. Then she padded over and bent forward, giving me the best view of her open pussy and cute arse.

She wound Richard up a bit, letting him wank right in her face asking did he want to give her mouth a good fucking. I hauled myself up, started to finger her from behind, then I slid back into her snatch.

She moaned then took Richard's prick into her mouth, lips stretching wide and cheeks hollowing around it. She wasn't taking it that deep, but she didn't need to. Her mouth was sucking his helmet while her hands took care of his shaft and balls.

The stronger I fucked her, the harder she sucked him, though if I eased off a bit, she

from her hole. Or maybe I just had more self-control. She sampled one or two spurts, then let him blow the rest all over her boobs.

She pulled off me for a second, then got back on the bed as we'd been before, for a last, fast ride before I came off too. I tried to make her cum first, but the sight of my mate's mess dripping down her knockers and belly finished me off. She took my load in her cunt, then frigged herself off straddling me, letting it splash on my cock and balls.

Next morning, I woke with Jane's arse rubbing up against my hard-on. Richard was already gone – he's genuinely into his outdoor shit, and with a girlfriend back home, I think he didn't want any trouble! I love the great outdoors!

Chris, Yeovil.

One night I was drinking in a bar, just having a couple of after-work bevvies, when I saw two women looking at me. I noticed them glancing over during the next couple of hours and then, while I was doing my hair in the ladies, one of them came up to me.

She asked did they know me from a certain club in town, one I knew was a lesbian hangout. I said they must be mixing me up with someone else – and she looked a bit embarrassed, said her girlfriend's "gaydar" must be on the blink!

I told her not to be so sure about that. I'd had a couple of flings with women and, over the next few days, I realised our chat had sparked my curiosity again. The following weekend, I turned up at the club and when I saw the women, I went over to them.

Fay, the one I'd spoken to was quite feminine looking. Her girlfriend, Del, had a more butch image – boyish clothes and close-cropped bleached hair – but she had the most beautiful face, with big round eyes and full pink lips. I knew then I'd end up going home with them.

Back at her flat, Del showed me to a big, soft chair, then sat on the arm of it, cuddling up to me, then kissing me, tongue slipping in my mouth. I was wearing a skirt and Fay sank down her knees in front of me, parting my legs and stroking her way up to my bare thighs with her fingers.

When she reached my knickers, she hooked the elastic and pulled them down and off. She blew little jets of cool air over my pussy, then ruffled my pubes with just the very tip of her tongue. My crotch began to tingle.

Now and again, her tongue would lash out, in between my labia before she settled into lapping my slit with long, smooth strokes and circles around my clit. Then she used it like a cock, poking it out hard. I started to moan, only for Del to muffle it with another snog.

Fay's rhythmic licking carried on, then she brought a hand up to play with my clit. Now Del broke our kiss and wriggled out of her baggy jeans. She had a solid gym body, but quite curvy, emphasised by the plain but ultra-skimpy white thong she was wearing. I'd have said it was a couple of sizes too small, going by how her snatch lips were escaping from either side

of it. Either that or they swelled up when she was aroused.

Her top came up too and I saw she had big tits, capped with big, brownish nipples. She let me have a suck on them, then positioned herself with one knee braced against each of the wide, padded arms of the chair.

Her pussy was level with my mouth and I took a few licks at it, tasting her tangy juices. They were salty like spunk, but a little more slick, less thick. Being no expert on cunt-licking – not compared to them anyway – I just sucked and licked and let Del move her cunt against my mouth however she liked it.

Fay was doing it for me too, and I brought my legs higher and wider, opening myself up to even more of a licking. Del used her fingers to splay herself and, next thing I knew, I she was cumming hard

were tangy,

against my mouth.

She got down off the chair, so I could focus on the pleasure I was getting from Fay. She was still tonguing my cunt and rolling my clit in between her fingers. Del started sucking on my tits, finally setting off my cum, which seemed to hit in waves. A glow spread out from my crotch, flushing my whole body pink and making my tits ache.

Now I just chilled, enjoyed the feeling as they got stuck in together – obviously they knew every inch of each other's body and came off hard and fast.

Later, while we had a drink, I asked did they play with sex toys – and hit a raw nerve. Del was a bit of a purist, saying if she didn't fuck cocks in real life she wasn't going to use the fake type. Fay said, "Why not, when you talk bollocks?" Then she said she had a big collection back at hers. I'd never want to come between a couple, but I think if Del's OK with it, Fay and I will have a bit of dildo fun very soon...

# DIRECTOR'S CUNT

**C**all me stupid but I didn't realise that two of the girls in my halls of residence, Cathy and Kelly, were lezzies for about the first half of term.

I think they saw me as quite sweet and innocent, a bit of a nerd – no bloody wonder. Then, one Saturday night, Kelly knocked on my door. She'd obviously had a few drinks and asked did I know anything about camcorders. I'm no expert but I said I'd have a look.

I walked into her bedroom to find Cathy looking a bit of a mess – hair all over the place and lipstick spread round her mouth. She was on the bed, wrapped up in a sheet, and the leg sticking out from under it seemed to be wearing a stocking.

I felt my dick twitch, but tried to stay cool. "Like this," I said, sorting out the camcorder in seconds. That's as long as it took me to get a serious boner, so I went back to my room and told them to knock if they needed any more help. Immediately I closed the door, I yanked my jeans down and started wanking away, thinking about what they were filming each other doing. Then there was another knock at the door.

Somehow I managed to stuff my cock back in my jeans, although the "Hang on!" I yelled came out as a bit of a croak. And as I opened the door to Kelly again, she asked me why my face was all red. Like she didn't know full well!

She said they needed my technical expertise again, but not because they couldn't work the camcorder. They needed someone to film them together. They told me I'd better keep schtum – not about them being dykes, but about the porno thing. I agreed.

I was right about the stockings – Cathy was just sprawled out, now, wearing black stockings and pink undies with a black trim. She rubbed her clit then fingered her hole until a big, soggy patch spread over the gusset, making it even more transparent. Then she just pulled them to one side and finger-fucked herself knuckle deep. I also found out how she'd messed up her lipstick – the nipples of her big tits were plastered in her red lipstick, from where she'd been sucking on them.

Kelly'd been filming her then handed the camera over to me. First I filmed Kelly stripping down to her own stockings and sussies – white this time, with little pink ribbons – and she got off on teasing me, shaking her tits right at the lens and stroking my thigh.

Now the girls were rolling around on the bed, kissing and playing with each other's tits. Kelly sighed as Cathy wedged a thigh in between her legs, and when she pulled it back out again there was a big, wet streak on it too.

As Cathy sucked on her tits, Kelly scooped a big fingerful of juices out of her own snatch, painting a line of it from her boobs and down her belly to her mound. Cathy followed it downwards with her tongue, nuzzling her trimmed pubes.

They were soaking up her fuck-juices like a sponge and Cathy couldn't wait to dive in, smacking her lips like it was the treat of the century for her!

At first, I thought Kelly was faking, putting it on for the camera – every flick of her pal's tongue got her whimpering. Then Cathy told her to shut up and suck on her snatch instead, before swivelling round to sit on her face in a sixty-nine.

I felt my prick swell up even more, throbbing painfully in my pants and I shoved my free hand down them, squeezing under the head. That calmed me down a bit, but not for long.

My nuts started aching too, as the girls went for it hard as they could, playing up for the lens but so obviously into each other too. Just when I saw Kelly thrashing

around, lips parted, Cathy would bring the attention a couple of feet south, looking up into the camera, eyes burning with pleasure and bubbling juices all over her face.

I told them that was it – I couldn't hold back any longer. They said, "Let's see it, then..." and I dropped my trousers, wanking in front of the lens as they caressed each other's pussy. They didn't move in to help, so I just spunked in my own hand – I'm surprised I didn't spray the entire room! But when I was done, Kelly told Cathy to lick my fingers clean.

Now I'd sorted myself out, we were ready to go again, and this time they

wanted some horny close-ups. I got one of Kelly lying on her back and Cathy pulling her arse-cheeks wide open, so you can see all her cum-juices soaking out of her slit and down her crack, her little pink arsehole all shiny with them. Then there's one of Cathy crouching with her bum thrust into Kelly's face, while Kelly's sucking on her mate's clit and fingering her arsehole. What a night!

They let me wank off over Cathy's tits while Kelly filmed it. They said that was their insurance policy – that if I spill about our little session, she'll post of the film of my spilling my wad on a free porn site! I'm not ashamed of my cock, but anyone's would look puny next to Cathy's big pair of tits, so probably best it doesn't happen. **Justin, Surbiton.**

# Head 2 Head **ANTICHRIST - CLUB COLOSSEUM**

**Spanking, sex in public, girls on stilts... Sex reporter Dirty Trix discovers that the devil really does have all the best tunes and some are even new to her!**

**W**hen I heard I was to attend the Antichrist event alone for a night of 'industrial fetish mayhem' complete with a crucifix shaped stage, a 'Hellfire' room and a dungeon I hoped to God I wouldn't be subject to anything untoward.

On arrival at the Colosseum Club in Vauxhall, South London, the throng was a pleasing mix of the usual fetish regulars, a sizeable number of punks with huge mohawks, a smattering of guys and girls from the Gothic scene and a number of girls in some kinky underwear.

Heading out to the smoking area after a quick look through the five rooms, I decided on my

first move. Alone and feeling like an extra in *From Dusk Till Dawn*, I caught the eye of a rather handsome man armed with a camera.

Seizing the chance, I wandered over and we exchanged small talk – my attention pricked by the realisation he was a foxy Frenchman. So adopting him as my partner in crime we headed to the main room to catch a show.

On one stage lay a cute little blonde in a pink G-string, fully reclined on what looked

like a doctor's couch quite nonchalantly baring her sizeable assets for all to see. Towering over her stood a frightening dominatrix pulling on a pair of surgical gloves. I watched in amazement as she proceeded to first pierce her nipples right the way down to her navel then thread some pink ribbon down her body, the Dom pulling on the ribbons as she went.

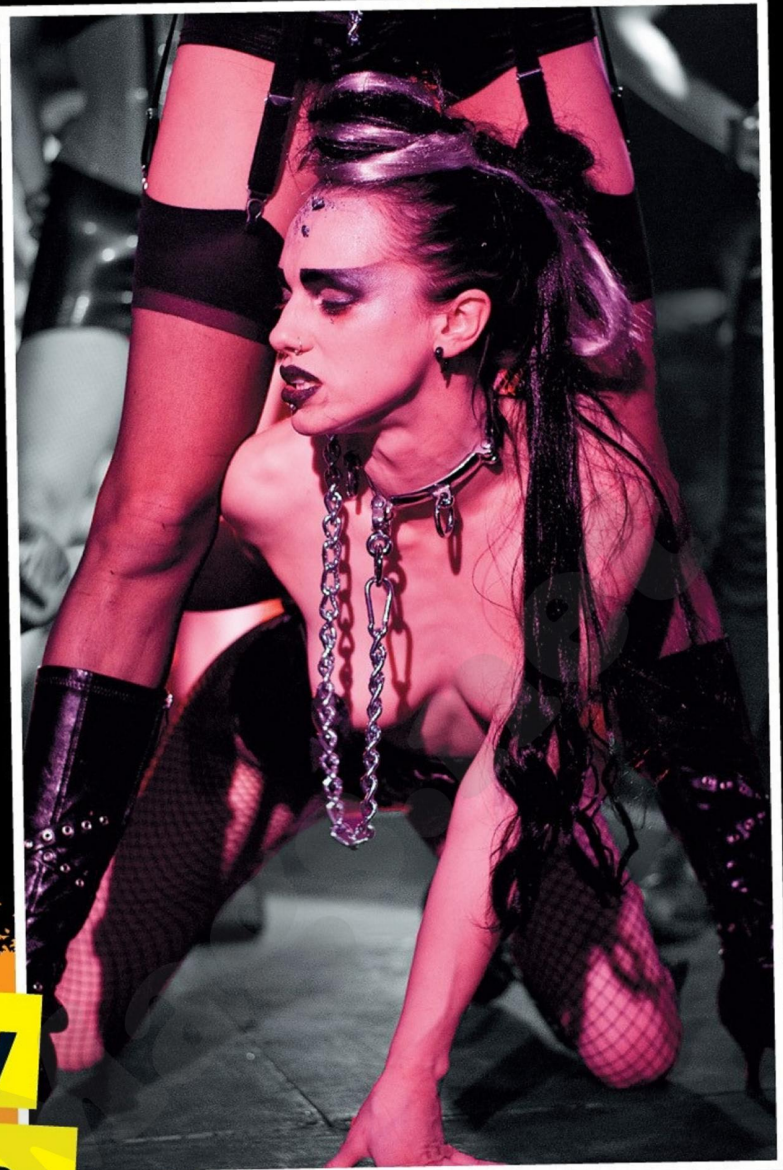

By now, my stilettos pinching and my nerves jangling, I slunk through to the dimly-lit

couples room to recline a while with my new friend. Our attention was quickly turned to a woman beside us, obviously enjoying getting a good shafting by her partner while simultaneously performing some impressive oral work on another male. To my delight, opposite us, legs spread with a shaven pussy, sat a hot brunette, her man bent down on his knees giving her a good service.

With the scent of sex hanging in the air I decided it would be advisable to explore some more before I got a little too carried away. Every room was packed out with beautiful half-naked heavily made-up dancers, satanic sluts, girls on stilts and barely-dressed house usherettes. Also on offer was a corsetry fashion show, fire-eating circus

## "He left my backside warm and glowing!"

performers and a number of Goth bands not usually to my taste but with whom I was pleasantly surprised.

By now, intrigued and horny, my attentions turned to another girl-on-girl scene. One was bent over a stool, her perfect arse cheeks bare, her pussy exposed and enjoying some flogging from her friend. The sight was definitely starting to warm me up but before I could intervene, I was approached by a man who had evidently caught on to what I had had in mind earlier. "Care for some of that?" he enquired.

Not usually speechless I nodded and so under the watchful gaze of the spectators I was shackled onto the

nearest rack, the restraints pulled tight over my wrists, his hands moving their way down to my waist and arse pulling my knickers into my crack as he did so.

Starting with a few light smacks, the pressure mounting, I winced in pain pulling at my bonds. I could feel his hands rubbing me down after each stroke and the pain quickly disappeared and turned into an ultimate pleasure. I can honestly say I have never experienced anything quite like it and I could tell he was a pro.

Euphoric and more than a little dazed from my experience I was suddenly released with my backside comfortably warm and glowing. Thanking him, I

walked back to my seat, convinced I would try being on the receiving end a little more often now on.

Tired but aroused, I found the Frenchman sitting among the throng and bid him au revoir. As I went to leave I had a bounce in my step and a twinkle in my eye as I left satisfied and with more than enough food for thought.

Overall the night was a success. The shows I caught were fantastic, the atmosphere was good, the drinks well priced and the people I met were more than accommodating! I would recommend this night for people who want something a little bit more alternative not unlike that of Torture Garden. It caters less to the mainstream but promises a night to remember.

All I know is that I had an extraordinary time – the bruises emblazoned on my arse cheeks are certainly a visible testament to that!

"I've always fantasised about working in a massage parlour. There's something about tossing all those cocks slathered in baby oil that gets me going all gooey in my pussy. I love wanking off men and giving them pleasure all day long. I'm going to have to have a wank myself now!"

All couples have rows, but Nicki and Matt don't have them over taking the bins out or leaving the loo seat up. It's whether they have a man or a woman in their bed weekend. "I like to see my missus sucking on another man's cock!" grins Matt. "But I prefer having some lezzie loving while Matt watches me!" Why not get one of each in? Swing should really be in the marriage counselling racket!

# PARLOUR GAMES!

*Knocking shop nut George McCoy plays Olympic games in the shadow of Stratford...*

## E. London & Essex

**P**ossibly because of the Olympic Games and the authorities, or simply because of the recession, if one area of the country has seen a bigger shrinkage in its range of adult services (and in particular its massage parlours) than any other, it has to be the East End of London.

a couple of days to check out the scene and to have a look around a few establishments and the odd lady both in East London and just outside the area in Essex, the county that rivals Merseyside, in being as different from the rest of England as it could be.

My first call was on **Chelsea of Harlow**, a lady I had met on a couple of occasions and who is also available in

Chelsea always endeavours to give each customer a totally enjoyable time and generally succeeds. Her oral services are particularly notable.

Curiously my next call was on another Chelsea. Originally known as Paris, **Chelsea of Chelmsford** is a pretty wild young lady, adaptable to whatever fantasies her clients desire, and has already garnered a reputation as a lady who likes to say "yes" and who generally

Back in 1995, when I started my mission to bring a bit of consumer protection into an industry that had none of any consequence before I turned up on the scene, East London boasted a very healthy selection of adult services and in particular a delightful variety of massage parlours. Over twenty of them stretched from Dagenham to Chingford, from Bow to Hornchurch. Now just eleven remain, plus three long-standing private flats or houses and two very distinctive party operations. Some of the eleven are not that notable.

So it was off down to London for

Cambridge and central London. Chelsea has been entertaining since 2005 and has had numerous first-class reviews. Pretty versatile and happy to see ladies and couples, though she draws the line at seeing two men simultaneously,

comes up with the goods. Her services even run to being either dominant or submissive and she is appropriately equipped, being game for dressing up as a schoolgirl or whatever.

I now swung south to my next call on

**Nikki's of Basildon.** Based in a council flat over a shopping centre in the Pitsea area of the town, Nikki was there herself and suggested I try out Summer, a very busty and somewhat tattooed sometime-adult actress and a lady who, like the

about science fiction. She also has by all accounts first-rate oral talent and she had indicated on our last meeting that she would like to show me just how good orally she can be. However after Summer, I was not going to be up for a vigorous

mythical bank, likes to say yes. She was very energetic – I can see why she has had such a successful career in adult movies, and I left sufficiently refreshed by my encounter.

From here I journeyed over to Bow to revisit **Danielle**, a tall lady with hidden depths. She has a parallel career as a DJ and is very keen and knowledgeable

meeting. Still, it was good to meet up again and she looked as fit as ever. Also operating in Bow is **Gentlemen's Parties**, a party operation that has moved around a bit in its time, and where I was treated to a very enjoyable encounter with the lady who graces the cover of my last parlour guide, though I have heard she has now married an ex-policeman and has gone to live in Australia!

My next call was at **Libby's**, the former Stratford Sauna and still the East End's biggest parlour. I got there at 9pm and found a delightful selection of ladies

awaiting their customers. They included a large European element, but I met up with a black British lady who had met me when I had been in Bristol a while back. She had managed to persuade an English lady by the name of Kay, an attractive lady who does two days a week at Libby's but who also entertains from her own base, to pose for some photos. Then I

headed out to my last call of the day on **Palm Springs** of Romford, a parlour that has been operating off and on since soon after the millennium.

Greeted by two very friendly Eastern European ladies, I was shown around the impressive facilities. It has come on

quite a bit since my last visit, which had been some years ago, when it was known as Fantasy Sauna. The only other

parlours of note still operating in East London are **Chingford Sauna** and **Manor Park Sauna**. Chingford is associated with the Pleasure Garden in the Caledonian Road with which it shares staff. It is a friendly parlour, with a large selection of ladies available, as is Manor Park Sauna which has been going from strength to strength with up to six ladies there at any time, extended opening hours and three V.I.P. suites on two upper floors. If still there, one lady well worth checking out is Alex, a tall, slim, yet busty Czech lady who makes all her clientele feel totally welcome.

Romford used to be the home of two associated parlours, that occupied the ground and first floor of a building in North St, but Pink and Diamonds have called it a day. They were associated with three other private flats and they endure, **Dames** and **Le Chateau** are just doors away from each other over

**"They have black-ladies-only parties twice a month"**

a car salesroom in Seven Kings, while **Honeyz** occupies a flat in a house in the appropriately named Dames Rd on the Wanstead Flats side of Forest Gate.

The following morning I lined up three more calls. My first call of the day was on **Jemma's of Chadwell Heath**. Despite being located approximately midway between Ilford and Romford, and being postally Romford, Chadwell Heath curiously is located in neither Redbridge or Havering, but in a northern bulge of the London borough of Barking and

Dagenham and now boasts the most notable parlour in that borough. I met up with Kay and her partner Micky when I got there soon after 1pm. It turns out Summer from Basildon and some other delightful ladies entertain here.

Also in the borough, a swinging club in Becontree is one of the meeting places for the **London Adult Party Club**. Originally based near Earl's Court and operating since late 2003, London Adult Party Club now throws four parties a week, one in Becontree, and the others

at a flat near Chancery Lane and a club in Kent. At the Chancery Lane parties there can be as few as three ladies, with nine men at a maximum, though elsewhere there can be as many as twelve ladies there at a time. And if you are looking for a party at a reasonable price and plenty of ladies, this is the one to visit in the London area. They even have black-ladies-only parties every other week, though their star is a white energetic minx called Emma Louise, who also frequents other party operations.

I now headed out to Billericay to visit **Julie's at Billericay Sauna** and to see my old friend Clive. Operating from an upmarket corner of the town and with some great ladies amongst his roster, he was finding life tough what with the recession, but was keeping busy enough and was upbeat. We had a long chat about life in general and while I know I could have enjoyed a session with one of his ladies, I decided to get back home and so headed off.
